Hi Clare,

I hope your day is going well.

As we discussed, I have assessed your attached workbook and this has also been checked by Shaun.

The majority of criteria has been met, however there is some rework to be completed for elements 1.1, 3.1, 3.2, and 5.1.

Please view the comments in the attached document.

For elements 1.1 and 3.1, only a small part for each of the answers for these questions needs to be reworked.

For element 3.2, the full answer for this question needs to be re-written.

For element 5.1, all parts of the answer for this question need to be re-written.

Due to this being rework for your own personal development, as we discussed, this will need to be completed in your own time and submitted by 5pm on Friday (14th July 2017) to enable me to complete further assessment.

If there are any areas that you are unsure of, please feel free to contact me.

I look forward to receiving your work.

Kind Regards,
